

New Products

In addition to an already extensive range of Wound Care Products, BSN medical recently launched the following new lines in South Africa:

Delta-Lite® Plus - The Trusted Rigid Solution.

Delta-Lite® Plus is our new fiberglass cast tape that combines a fiberglass substrate and advanced water activated polyurethane resin system which provides tack free properties. The tack free properties allow ease of application and molding using standard examination gloves.

Unique Features:

- New resin formulation -use exam glove of your choice
- Rigid support
- High lamination
- Smooth surface
- Weight bearing in approximately 20 minutes
- 3-5 minute set time

Delta-Dry® Water Resistant Cast Padding

Click hereto see video

The solution that fits your life.
